9. The Bank has not entered into any co-lending transactions during the quarter ended 31<sup>st</sup> March 2026.

10. As on 31<sup>st</sup> March 2026, the Bank has 10 subsidiaries, 2 step-down subsidiaries and 1 associate.

11. On 21<sup>st</sup> November 2025, the Government of India consolidated 29 existing labour laws into a unified framework of four Labour Codes (including the Code on Social Security, 2020), collectively referred to as the 'New Labour Codes'. Since Q3FY21, based on an internal policy, the Bank has been consistently provisioning for gratuity liability, in anticipation of the implementation of the Code on Social Security, 2020. In Q3FY26, the Bank performed a preliminary assessment of the financial impact of the New Labour Codes based on the draft Central Rules and FAQs published by the Ministry of Labour and Employment, in line with the guidance from the Institute of Chartered Accountants of India and charged to its Profit and Loss Account an amount of ₹25.44 crores towards gratuity, primarily due to changes in the wage definition. The Bank continues to monitor the finalization of Central and State rules relating to the New Labour Codes and will adjust its estimates and provisions in subsequent reporting periods, in accordance with applicable accounting standards.

12. During the year ended 31<sup>st</sup> March 2026, following an RBI advisory, post its FY25 annual inspection, the Bank in Q2FY26 made an additional one-time standard asset provision of ₹1,231 crores for declassified PSL loans. The customer terms remain unchanged. This provision will be written back to the P&L upon all the declassified loans being made compliant, recovered or closed in the normal course, no later than 31<sup>st</sup> March 2028. No divergence in asset quality or NPA provisioning was identified in the said annual inspection.
13. During Q4 of FY26, the Bank took the initiative to further strengthen its balance sheet by voluntarily enhancing its prudent provisioning framework for standard assets. In line with this framework, an additional one-time provision of ₹2,001 crores was made during the quarter. This measure is entirely prudent and does not indicate any concerns regarding asset quality or adverse credit developments in the Bank's loan or investment portfolio as of the reporting date.
14. In the financial year 2022-23, the Bank acquired Citibank's India Consumer Business from Citibank N.A. (acting through its branch in India) ("CBNA") and the NBFC Consumer Business from Citicorp Finance (India) Limited ("CFIL") collectively referred to as Citi India Consumer Business on a going concern basis. In accordance with an independent valuer's report, intangibles (excluding goodwill) amounting to ₹8,714.24 crores were recognised in the Bank's financial statements. Despite retaining access to and business use of these assets, as a prudent measure aimed at protecting its capacity to pay dividends, the Bank opted to fully amortise these intangibles through the Profit and Loss account in FY 2022-23. Furthermore, the Bank elected not to create any deferred tax asset in FY 2022-23 on such intangibles, nor did the Bank consider the deductibility on the said intangibles while providing for current tax in the books until the regular tax assessment for the said financial year was completed.
- During the quarter and year ended 31<sup>st</sup> March 2026, following the conclusion of regular assessment proceedings by the income tax authorities, tax depreciation on these intangibles was allowed. As a result, the tax expense for Q4FY26 and FY26 is lower by ₹2,193.20 crores, which includes the reversal of excess tax provisions made in prior years amounting to ₹1,129.80 crores, reduction of current year's tax expense by ₹265.85 crores and recognition of a deferred tax asset of ₹797.55 crores.
15. The above results have been approved by the Board of Directors of the Bank at its meeting held today.
16. These results for the quarter and year ended 31<sup>st</sup> March, 2026 have been audited by the joint statutory auditors – M M Nissim & Co LLP, Chartered Accountants and KKC & Associates LLP, Chartered Accountants who have issued an unmodified audit opinion thereon.
17. Previous period figures have been regrouped and reclassified, where necessary, to make them comparable with current period figures.

As part of this process, a joint petition was filed with the National Company Law Tribunal (NCLT) Chandigarh bench on 31<sup>st</sup> July 2024, under Section 230-232 of the Companies Act, 2013, seeking approval for the Scheme. The NCLT approved the Scheme on 10<sup>th</sup> December 2025. Consequently, the BC and TSP business have been transferred and vested in FBTSL effective January 1, 2026, with the appointed date being 1<sup>st</sup> July 2024, as per the Scheme. FPTPL has completed the necessary filings with the Registrar of Companies in accordance with the NCLT order. This transaction has no impact on the consolidated financial results for the quarter and year ended 31<sup>st</sup> March 2026.
8. On 21<sup>st</sup> November 2025, the Government of India consolidated 29 existing labour laws into a unified framework of four Labour Codes (including the Code on Social Security, 2020), collectively referred to as the 'New Labour Codes'. Since Q3FY21, based on an internal policy, the Bank has been consistently provisioning for gratuity liability, in anticipation of the implementation of the Code on Social Security, 2020. In Q3FY26, the Bank and its subsidiaries performed a preliminary assessment of the financial impact of the New Labour Codes based on the draft Central Rules and FAQs published by the Ministry of Labour and Employment, in line with the guidance from the Institute of Chartered Accountants of India and charged to its Profit and Loss Account an amount of ₹32.84 crores towards gratuity, primarily due to changes in the wage definition. The Group continues to monitor the finalization of Central and State rules relating to the New Labour Codes and will adjust its estimates and provisions in subsequent reporting periods, in accordance with applicable accounting standards.

9. During the year ended 31<sup>st</sup> March 2026, following an RBI advisory, post its FY25 annual inspection, the Bank in Q2FY26 made an additional one-time standard asset provision of ₹1,231 crores for declassified PSL loans. The customer terms remain unchanged. This provision will be written back to the P&L upon all the declassified loans being made compliant, recovered or closed in the normal course, no later than 31<sup>st</sup> March 2028. No divergence in asset quality or NPA provisioning was identified in the said annual inspection.
10. During Q4 of FY26, the Bank took the initiative to further strengthen its balance sheet by voluntarily enhancing its prudent provisioning framework for standard assets. In line with this framework, an additional one-time provision of ₹2,001 crores was made during the quarter. This measure is entirely prudent and does not indicate any concerns regarding asset quality or adverse credit developments in the Bank's loan or investment portfolio as of the reporting date.
11. In the financial year 2022-23, the Bank acquired Citibank's India Consumer Business from Citibank N.A. (acting through its branch in India) ("CBNA") and the NBFC Consumer Business from Citicorp Finance (India) Limited ("CFL") collectively referred to as Citi India Consumer Business on a going concern basis. In accordance with an independent valuer's report, intangibles (excluding goodwill) amounting to ₹8,714.24 crores were recognised in the Bank's financial statements. Despite retaining access to and business use of these assets, as a prudent measure aimed at protecting its capacity to pay dividends, the Bank opted to fully amortise these intangibles through the Profit and Loss account in FY 2022-23. Furthermore, the Bank elected not to create any deferred tax asset in FY 2022-23 on such intangibles, nor did the Bank consider the deductibility on the said intangibles while providing for current tax in the books until the regular tax assessment for the said financial year was completed.

During the quarter and year ended 31<sup>st</sup> March 2026, following the conclusion of regular assessment proceedings by the income tax authorities, tax depreciation on these intangibles was allowed. As a result, the tax expense for Q4FY26 and FY26 is lower by ₹2,193.20 crores, which includes the reversal of excess tax provisions made in prior years amounting to ₹1,129.80 crores, reduction of current year's tax expense by ₹265.85 crores and recognition of a deferred tax asset of ₹797.55 crores.

12. The above results have been approved by the Board of Directors of the Bank at its meeting held today.
13. These results for the quarter and year ended 31<sup>st</sup> March, 2026 have been audited by the joint statutory auditors – M M Nissim & Co LLP, Chartered Accountants and KKC & Associates LLP, Chartered Accountants who have issued an unmodified audit opinion thereon.
14. Previous period figures have been regrouped and reclassified, where necessary, to make them comparable with current period figures.
